

# Senior Protection Connection

Donate your old cell phones to be reprogrammed for 911 service to help a senior citizen reach help when they need it. This wonderful program gives seniors peace of mind, allowing them to call for help whenever they are away from their home phone or cannot afford to have one. If you would like to donate a cell phone to this worthwhile program please call 989-583-6837 or leave it at a drop site listed below.
